ABOUT THE ANNUAL MEETING

What is the purpose of the meeting?

The principal purposes of the Annual Meeting are the election of six directors to serve on the company’s Board of Directors for an additional one-year term and to ratify the appointment of our independent registered public accounting firm for fiscal year 2023.

When were these materials mailed?

We will begin mailing this proxy statement to our Shareholders on or about May 1, 2023.

Who is entitled to vote?

Stockholders of record at the close of business on the record date, April 14, 2023, will receive notice of, and be eligible to vote at, the Annual Meeting and at any adjournment or postponement of the Annual Meeting. At the close of business on the record date our only outstanding class of voting securities was common stock, \$0.01 par value per share, and there were 2,611,649 common shares outstanding and entitled to vote.

How many votes do I have?

Each outstanding share of our common stock you owned as of the record date will be entitled to one vote for each matter considered at the meeting. There is no cumulative voting.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of stockholders entitled to cast a majority of the votes will constitute a quorum, permitting us to conduct the business of the meeting. Proxies received but marked as abstentions or broker non-votes, if any, will be included in the calculation of the number of votes considered to be present at the meeting for purposes of a quorum.

What is the difference between a stockholder of record and a beneficial owner?

If your shares are registered directly in your name with our transfer agent, Continental Stock Transfer & Trust Company, then you are a “stockholder of record.” This Notice of Meeting and proxy statement has been provided directly to you by Generation Income Properties, Inc. You may vote by ballot at the meeting or vote by proxy. To vote by proxy, sign, date and return the enclosed proxy card or follow the instructions on the proxy card for voting by telephone or internet.

If your shares are held for you in a brokerage, bank or other institutional account (that is, held in “street name”), then you are not a stockholder of record. Rather, the institution is the stockholder of record and you are the “beneficial owner” of the shares. The accompanying Notice of Meeting and this proxy statement have been forwarded to you by that institution. If you complete and properly sign the accompanying proxy card and return it in the enclosed envelope or follow the instructions on the proxy card for voting by telephone or internet, the institution will cause your shares to be voted in accordance with your instructions. If you are a beneficial owner of shares and wish to vote in person at the Annual Meeting, then you must obtain a proxy, executed in your favor, from the holder of record (the institution).

How do I vote if I am a stockholder of record?

By Ballot at the Meeting. If you are a stockholder of record and attend the Annual Meeting, you may vote in person by ballot at the Annual Meeting. To vote by ballot, you must register and confirm your stockholder status at the meeting. If the stockholder of record is a corporation, partnership, limited liability company or other entity of which you are an officer or other authorized person, then you should bring evidence of your authority to vote the shares on behalf of the entity.

By Proxy Card. If you complete, sign and return the accompanying proxy card or follow the instructions on the proxy card for voting by telephone or internet, then your shares will be voted as you direct. If you are a stockholder of record, then you may opt to deliver your completed proxy card in person at the Annual Meeting.

Voting by Telephone or Internet. If you are a stockholder of record, you may vote by proxy by telephone or internet. Proxies submitted by telephone or through the internet must be received by 11:59 p.m. EDT on June 1, 2023. Please see the proxy card for instructions on how to vote by telephone or internet.

How do I vote if I hold my shares in “street name”?

If you hold your shares in “street name,” we have supplied copies of our proxy materials for the 2023 Annual Meeting of Stockholders to the broker, trust, bank or other nominee holding your shares of record and they have the responsibility to send these proxy materials to you. You must either direct the broker, trust, bank or other nominee as to how to vote your shares, or obtain a proxy

from the bank, broker or other nominee to vote at the meeting. Please refer to the voter instruction cards used by your broker, trust, bank or other nominee for specific instructions on methods of voting, including by telephone or using the internet.

What Vote is Required to Approve each Item?

For Proposal 1, election of directors, you may vote “FOR,” “AGAINST” or “ABSTAIN” with respect to each of the nominees. Our bylaws provide that in an uncontested election, each nominee will be elected as a director if he or she receives the affirmative vote of a majority of the total votes cast “FOR” and “AGAINST” with respect to his or her election as a director at the Annual Meeting. Any abstentions or broker non-votes are not counted as votes cast either “FOR” or “AGAINST” with respect to a director’s election and will have no effect on the election of directors.

For Proposal 2, the ratification of the appointment of MaloneBailey LLP as our independent registered public accounting firm for fiscal year 2023, you may vote “FOR,” “AGAINST” or “ABSTAIN” with respect to the ratification of the appointment of MaloneBailey LLP as our independent registered public accounting firm for fiscal year 2023. Ratification of the appointment of our independent registered public accounting firm for fiscal year 2023 requires a majority of the votes cast on the proposal at the Annual Meeting to be voted “FOR” this proposal. Abstentions will not count as votes cast either “FOR” or “AGAINST” Proposal No. 2 and will have no effect on the results of the vote on this proposal. Discretionary voting is permitted by on this proposal, and, therefore, we do not anticipate any broker non-votes for this proposal.

What does it mean if I receive more than one proxy card?

You will receive separate proxy cards when you own shares in different ways. For example, you may own shares individually, as a joint tenant, in an individual retirement account, in trust or in one or more brokerage accounts. You should complete, sign and return each proxy card you receive or follow the telephone or internet instructions on each card. The instructions on each proxy card may differ. Be sure to follow the instructions on each card.

Can I change my vote or instruction?

Yes. You may follow the instructions on the proxy card to change your votes or instructions any time before midnight the day before the meeting. In addition, if you are a stockholder of record, you may revoke your proxy any time before your shares are voted by filing with the secretary of the Company a written notice of revocation or submitting a duly executed proxy bearing a later date. If you file a notice of revocation, you may then vote (or abstain from voting) your shares in person at the Annual Meeting. If you submit a later dated proxy, then your shares will be voted in accordance with that later dated proxy. No such notice of revocation or later dated proxy, however, will be effective unless received by us at or before the Annual Meeting and before your shares have been voted. Unless the proxy is revoked, the shares represented thereby will be voted at the Annual Meeting or any adjournment thereof as indicated on the proxy card. Sending in a proxy does not affect your right to vote in person if you attend the meeting, although attendance at the meeting will not by itself revoke a previously granted proxy.

If I submit a proxy card, how will my shares be voted?

Your shares will be voted as you instruct on the proxy card.

What happens if I submit a proxy card and do not give specific voting instructions?

If you are a stockholder of record and sign and return the proxy card without indicating your instructions, your shares will be voted in accordance with the recommendations of the Board of Directors by the proxies named on such card. With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, at their own discretion. As of the date this proxy statement went to print, we did not know of any other matters to be raised at the Annual Meeting.

What are the Board of Directors' recommendations?

The Board of Directors recommends stockholders vote:

- **FOR** election of the six director nominees named below to serve on the company's Board of Directors for an additional one-year term until the next annual meeting of stockholders and until his or her successor is duly elected and qualifies, or until his or her death, resignation, retirement or removal (whichever occurs first):

Benjamin Adams
Gena Cheng
Stuart Eisenberg
Betsy Peck
Patrick Quilty
David Sobelman

- **FOR** the proposal to ratify the appointment of MaloneBailey LLP as the company's independent registered public accounting firm for the year ending December 31, 2023.

How will votes be counted?

All votes will be tabulated by the secretary of the company. We have engaged Broadridge Financial Solutions, Inc. to collect and tabulate proxy instructions.

Who is paying for the preparation and mailing of the proxy materials and how will solicitations be made?

We will pay the expenses of soliciting proxies. Proxies may be solicited on our behalf by directors, officers or employees in person or by mail, telephone, facsimile or electronic transmission. We have requested brokerage houses and other custodians, nominees and fiduciaries to forward soliciting material to beneficial owners and have agreed to reimburse those institutions for their out-of-pocket expenses.

PROPOSAL 1

ELECTION OF DIRECTORS

As of the date of this proxy statement, our Board has six directors. All current directors have been nominated to stand for re-election at the 2023 Annual Meeting. The Board will consist of six directors after the 2023 Annual Meeting assuming the election of all director nominees. All current directors elected at the meeting will serve until the 2024 annual meeting and until his or her successor is duly elected and qualifies, or until his or her death, resignation, retirement or removal (whichever occurs first). The accompanying proxy will be voted FOR the election of each of the Board's nominees unless a stockholder directs otherwise. Each nominee is presently available for election. If any nominee should become unavailable, which is not currently anticipated, the persons voting the accompanying proxy may vote for a substitute nominee designated by our Board of Directors or our Board may reduce the size of the Board and number of nominees.

With the recommendation of the nominating and governance committee, the Board of Directors has nominated the following persons to stand for re-election as directors at this 2023 Annual Meeting of Stockholders:

Benjamin Adams
Gena Cheng
Stuart Eisenberg
Betsy Peck
Patrick Quilty
David Sobelman

Each of the nominees for re-election as a director has consented to serve if elected. If, as a result of circumstances not now known or foreseen, one or more of the nominees should be unavailable or unwilling to serve as a director, proxies may be voted for the election of such other persons as the Board of Directors may select. The Board of Directors has no reason to believe that any of the nominees will be unable or unwilling to serve. Information about each of the nominees, including biographies, is set forth below and on the following pages.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE *FOR* THE ELECTION OF EACH OF THE DIRECTOR NOMINEES.

Director Independence

The Nasdaq Marketplace Rules require a majority of a listed company's board of directors to be comprised of independent directors. In addition, the Nasdaq Marketplace Rules require that, subject to specified exceptions, each member of a listed company's audit, compensation and nominating and corporate governance committees be independent and that audit committee members also satisfy independence criteria set forth in Rule 10A-3 under the Exchange Act.

Under Rule 5605(a)(2) of the Nasdaq Marketplace Rules, a director will only qualify as an "independent director" if, in the opinion of our board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In order to be considered independent for purposes of Rule 10A-3 of the Exchange Act, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee, accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the listed company or any of its subsidiaries or otherwise be an affiliated person of the listed company or any of its subsidiaries.

Our board of directors has reviewed the composition of our board of directors and its committees and the independence of each director. Based upon information requested from and provided by each director concerning their background, employment and affiliations, including family relationships, our board of directors has determined that each of Benjamin Adams, Gena Cheng, Patrick Quilty, Betsy Peck and Stuart Eisenberg is an "independent director" as defined under Rule 5605(a)(2) of the Nasdaq Marketplace Rules. Our board of directors also determined that the directors who each serve on our audit committee, our compensation committee, and our nominating and corporate governance committee, satisfy the independence standards for such committees established by the SEC and the Nasdaq Marketplace Rules, as applicable. In making such determinations, our board of directors considered the relationships that each such non-employee director has with the Company and all other facts and circumstances our board of directors deemed relevant in determining independence, including the beneficial ownership of our capital stock by each non-employee director.

As such, we recorded an Other payable - related party in the amount of \$2,912,300 upon execution of the redemption agreement and made the first and second installment payments of \$325,000 on September 13, 2022 and March 8, 2023 resulting in a remaining balance of \$2,262,300 outstanding as of March 31, 2023. Additionally, the Company issued 200,000 shares of common stock at \$6.00 per share in accordance with the redemption agreement, and recorded the stock at par value of \$2,000 with the remaining \$1,198,000 to Additional paid in capital.

On November 30, 2020, we acquired an approximately 3,500 square foot building from GIP Fund 1, LLC a related party that was owned 11% by the President and Chairman of the Company. The retail single tenant property occupied by The Sherwin-Williams Company in Tampa, Florida was acquired for approximately \$1.8 million and was funded with approximately \$1.3 million of debt from Valley National Bank and the issuance of 24,309 partnership units in the Operating Partnership valued at \$20.00 per unit for purposes of the contribution. Since the acquisition, GIP Fund 1, LLC was dissolved and each partner was allocated units to the Operating Partnership pro-rata effectively reducing the President and Chairman of the Company's ownership to 0.09% as of March 31, 2023.

CORPORATE GOVERNANCE

Board Leadership Structure

Our business and affairs are managed under the direction of the Board of Directors. Under our current leadership structure, David Sobelman serves as Chairman of the Board of Directors, Chief Executive Officer and President. Mr. Sobelman's role includes providing continuous feedback on the direction and performance of the company, serving as chairman of regular meetings of the Board of Directors, setting the agenda for the meetings of the Board of Directors and leading the Board of Directors in anticipating and responding to changes in our business. Mr. Sobelman plays a significant role also in formulating and executing the company's strategic plans, financing activity and investment decisions. We believe board oversight and planning is a collaborative effort among the directors, each of whom has unique skills, experience and education, and this structure facilitates collaboration and communication among the directors and management and makes the best use of their respective skills. The Board of Directors periodically reviews the board leadership structure to evaluate whether the structure remains appropriate for the Company and may determine to alter this leadership structure anytime based on then existing circumstances.

Our Board does not have a policy on whether the same person should serve as both the President and Chairman of the Board or, if the roles are separate, whether the Chairman should be selected from the non-employee directors or should be an employee. Our Board believes that it should have the flexibility to periodically determine the leadership structure that it believes is best for the company. The Board believes that its current leadership structure, with Mr. Sobelman serving as both President and Board Chairman, is appropriate given the efficiencies of having the President also serve in the role of Chairman. The Board currently believes that Mr. Sobelman is uniquely qualified to serve as President and in the role of leader of the Board given his history and experience with the company, his significant ownership interest in the Company and the current size of the Company and the Board.

Our lead independent director is currently Benjamin Adams. The Chairman and the President consults periodically with the lead director on Board matters and on issues facing the company. In addition, the lead director serves as the principal liaison between the Chairman of the Board and the independent directors and presides at an executive session of non-management directors at each regularly scheduled Board meeting.

Role of Board in Risk Oversight Process

We face a number of risks, including those described under the caption "Risk Factors" in our Annual Report on Form 10-K. Our board of directors believes that risk management is an important part of establishing, updating and executing on our business strategy. Our board of directors has oversight responsibility relating to risks that could affect our corporate strategy, business objectives, compliance, operations, and the financial condition and performance. Our board of directors focuses its oversight on the most significant risks facing us and, on our processes, to identify, prioritize, assess, manage and mitigate those risks. Our board of directors receives regular reports from members of our senior management on areas of material risk to us, including strategic, operational, financial, legal and regulatory risks. While our board of directors has an oversight role, management is principally tasked with direct responsibility for management and assessment of risks and the implementation of processes and controls to mitigate their effects on us.

Indemnification Agreements

We have entered into indemnification agreements with each of our executive officers and directors, and expect to enter into indemnification agreements with future executive officers and directors. Each indemnification agreement provides, among other things, that we will indemnify, to the maximum extent permitted by law, the covered officer or director against any and all judgments, penalties, fines and amounts paid in settlement, and all reasonable and out-of-pocket expenses (including attorneys' fees), actually and reasonably incurred in connection with any threatened, pending or completed action, suit, arbitration, alternative dispute resolution mechanism, investigation, inquiry, administrative hearing or other proceeding that arises out of the officer's or director's status as a present or former officer, director, employee or agent of the company. Each indemnification agreement also requires us, upon request of the covered officer or director, to advance the expenses related to such an action provided that the officer or director undertakes to repay any amounts to which he is subsequently determined not to be entitled. The indemnification agreement is not exclusive of any other rights to indemnification or advancement of expenses to which the covered officer or director may be entitled, including any rights arising under our charter or bylaws or applicable law.

Disclosure of Commission Position on Indemnification for Securities Act Liabilities.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is therefore unenforceable.

Board Committees

Our board of directors has established three standing committees — audit, compensation, and nominating and corporate governance — each of which operates under a charter approved by our board of directors. Copies of each committee’s charter is available on the Investor Relations section of our website, which is located at www.gipreit.com. Each committee has the composition and responsibilities described below. Our board of directors may from time to time establish other committees.

Audit Committee

Our audit committee consists of Patrick Quilty, Betsy Peck and Stuart Eisenberg, with Mr. Eisenberg serving as the chair of the committee. Our board of directors has determined that each of the members of our audit committee satisfies the Nasdaq Marketplace Rules and SEC independence requirements. The functions of this committee include, among other things:

- evaluating the performance, independence and qualifications of our independent auditors and determining whether to retain our existing independent auditors or engage new independent auditors;
- reviewing and approving the engagement of our independent auditors to perform audit services and any permissible non-audit services;
- reviewing our annual and quarterly financial statements and reports, including the disclosures contained under the caption “Management’s Discussion and Analysis of Financial Condition and Results of Operations,” and discussing the statements and reports with our independent auditors and management;
- reviewing with our independent auditors and management significant issues that arise regarding accounting principles and financial statement presentation and matters concerning the scope, adequacy and effectiveness of our financial controls;
- reviewing our major financial risk exposures, including the guidelines and policies to govern the process by which risk assessment and risk management is implemented; and
- reviewing and evaluating on an annual basis the performance of the audit committee, including compliance of the audit committee with its charter.

Our board of directors has determined that Mr. Eisenberg qualifies as an “audit committee financial expert” within the meaning of applicable SEC regulations and meets the financial sophistication requirements of the Nasdaq Marketplace Rules. Both our independent registered public accounting firm and management periodically will meet privately with our audit committee. Our Audit Committee met four times during 2022.

Compensation Committee

Our compensation committee consists of Benjamin Adams, Gena Cheng and Patrick Quilty, with Mr. Adams serving as the chair of the committee. Our Board has determined that each of the members of our compensation committee satisfies the Nasdaq Marketplace Rules independence requirements. The functions of this committee include, among other things:

- reviewing, modifying and approving (or if it deems appropriate, making recommendations to the full board of directors regarding) our overall compensation strategy and policies;
- reviewing and approving the compensation, the performance goals and objectives relevant to the compensation, and other terms of employment of our executive officers;
- reviewing and approving (or if it deems appropriate, making recommendations to the full board of directors regarding) the equity incentive plans, compensation plans and similar programs advisable for us, as well as modifying, amending or terminating existing plans and programs;

- reviewing and approving the terms of any employment agreements, severance arrangements, change in control protections and any other compensatory arrangements for our executive officers;
- reviewing with management and approving our disclosures, once required, under the caption “Compensation Discussion and Analysis” in our periodic reports or proxy statements to be filed with the SEC; and
- preparing the report that the SEC requires in our annual proxy statement, once required.

Our Compensation Committee met twice during 2022.

Nominating and Corporate Governance Committee

Our nominating and corporate governance committee consists of Betsy Peck, Gena Cheng, Stuart Eisenberg, and Patrick Quilty, with Ms. Peck serving as the chair of the committee. Our board of directors has determined that each of the members of this committee satisfies the Nasdaq Marketplace Rules independence requirements. The functions of this committee include, among other things:

- identifying, reviewing and evaluating candidates to serve on our board of directors consistent with criteria approved by our board of directors;
- evaluating director performance on our board of directors and applicable committees of our board of directors and determining whether continued service on our board of directors is appropriate;
- evaluating, nominating and recommending individuals for membership on our board of directors; and
- evaluating nominations by stockholders of candidates for election to our board of directors.

Our Nominating and Corporate Governance Committee met three times during 2022.

We do not have a policy regarding the consideration of any director candidates that may be recommended by our stockholders, including the minimum qualifications for director candidates, nor has our board established a process for identifying and evaluating director nominees. We have not adopted a policy regarding the handling of any potential recommendation of director candidates by our stockholders, including the procedures to be followed. Our board has not considered or adopted any of these policies, as we have never received a recommendation from any stockholder for any candidate to serve on our Board. While there have been no nominations of additional directors proposed, in the event such a proposal is made, our current board will participate in the consideration of director nominees.

Board of Directors’ Role in Risk Oversight

The Board of Directors plays a significant role in monitoring risks to the company. Where major risks are involved, the Board of Directors takes a direct role in reviewing those matters. The Board of Directors also approves any strategic initiatives and any large or unusual investment or other such expenditure of the company’s resources. The Board of Directors has established committees to assist in ensuring that material risks are identified and managed appropriately. Among them are the audit committee, the compensation committee, and the nominating and governance committee. The Board of Directors and its committees regularly review material operational, financial, compensation and compliance risks with executive management. The audit committee is responsible for assisting the Board of Directors in its oversight of the quality and integrity of our accounting, auditing, and reporting practices and discussing with management our processes to manage business and financial risk. The compensation committee considers risk in connection with its design of our compensation programs for our executives. The nominating and governance committee regularly reviews the company’s corporate governance structure and board committee assignments. Each committee regularly reports to the Board of Directors.

Delinquent Section 16(A) Reports

Section 16(a) of the Exchange Act requires our executive officers and directors, and beneficial owners of more than 10% of our common stock to file reports regarding ownership of, and transactions in, our securities with the SEC and to provide us with copies of those filings. Based solely on our review of the copies of such forms received by us, we believe that during the twelve months ended December 31, 2022, all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% beneficial owners were timely filed, except for the Form 4 filing made by Mr. Sobelman on May 20, 2022 for dividend reinvestment shares acquired during the period December 31, 2021 through March 30, 2022.

Code of Ethics

We have adopted a code of ethics applicable to all employees and directors, including our Chief Executive Officer and Chief Financial Officer. We have posted the text of our code of ethics to our internet website: <http://www.gipreit.com> by clicking "Investors" at the top, then "Governance", then "Governance Documents", and finally "Code of Ethics". We intend to disclose any change to or waiver from our code of ethics by posting such change or waiver to our internet website within the same section as described above.

Anti-Hedging Policies

Our Board of Directors has adopted an Insider Trading Policy which applies to all our directors, officers and designated employees. The policy prohibits our directors, officers and designated employees from engaging in hedging transactions, short sales and transactions in publicly traded options, such as puts, calls and other derivatives, involving our equity securities.

Board and Committee Meetings

During 2022, our Board of Directors held six meetings. During 2022, no director attended less than 75% of the Board of Directors' and applicable committee meetings. In addition, the independent directors met in executive session periodically in 2022. We have not established a policy with regard to the attendance of board members at annual stockholder meetings.

Director Attendance at Annual Meeting of Stockholders

We do not have a formal policy regarding the attendance of our directors at our annual meetings of stockholders. Mr. Sobelman was the only director who attended our 2022 Annual Meeting of Stockholders, although all of our other directors listened in to the meeting through a telephone connection.

Communications with the Board

We have established procedures by which stockholders may communicate with members of the Board of Directors, individually or as a group. Stockholders wishing to communicate with the Board of Directors or a specified member of the Board may send written communications addressed to: Board of Directors, Generation Income Properties, Inc., Attention: David Sobelman, Chief Executive Officer, 401 E Jackson Street, Suite 3300, Tampa, Florida 33602. The mailing envelope should clearly specify the intended recipient or recipients, which may be the Board of Directors as a group or an individual member of the Board. The communication should include the stockholder's name and the number of shares owned. Communications that are not racially, ethically or religiously offensive, commercial, pornographic, obscene, vulgar, profane, defamatory, abusive, harassing, threatening, malicious, false or frivolous in nature will be promptly forwarded to the specified members of the Board of Directors. We have also established procedures by which all interested parties (not just stockholders) may communicate directly with our non-management or independent directors as a group. Any interested party wishing to communicate with our non-management or independent directors as a group may send written communications addressed to: Board of Directors, Generation Income Properties, Inc., Attention: David Sobelman, Chief Executive Officer, 401 E Jackson Street, Suite 3300, Tampa, Florida 33602. The mailing envelope should clearly specify the intended recipients, which may be the non-management directors or the independent directors as a group. The envelope will be promptly forwarded for distribution to the intended recipients.

PROPOSAL 2
RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2023

The audit committee of the Board of Directors has appointed MaloneBailey LLP as the company's independent registered public accounting firm for our fiscal year ending December 31, 2023. MaloneBailey LLP also served as the company's independent registered public accounting firm for our years ended December 31, 2022, 2021 and 2020. The Board of Directors concurs with the appointment and is submitting the appointment of MaloneBailey LLP as our independent registered public accounting firm for stockholder ratification at the Annual Meeting.

Our bylaws do not require that the stockholders ratify the appointment of MaloneBailey LLP as our independent registered public accounting firm. We are seeking ratification because we believe it is a sound corporate governance practice. If the stockholders do not ratify the appointment, our audit committee will reconsider whether to retain MaloneBailey LLP, but may retain MaloneBailey LLP in any event. Even if the appointment is ratified, the audit committee, in its discretion, may change the appointment at any time during the year if it determines that a change would be in the best interests of the Company and its stockholders.

We expect that representatives of MaloneBailey LLP will be either physically present or available via phone at the Annual Meeting. They will be given the opportunity to make a statement if they desire to do so, and they will be available to respond to appropriate questions after the meeting.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF MALONEBAILEY LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL 2023.

Pre-Approval Policy

The audit committee is required to pre-approve the audit and non-audit services performed by the Company's independent auditor to assure that the provision of such services does not impair the auditor's independence. The SEC's rules establish two approaches for pre-approving services. The two approaches are not mutually exclusive: (1) the audit committee may pre-approve each particular service on a case-by-case basis ("separate pre-approval"), and (2) the audit committee may adopt a pre-approval policy that is detailed as to the particular types of services that may be provided by the independent auditor without consideration by the audit committee on a case-by-case basis ("policy-based pre-approval"). The audit committee has adopted the policy-based pre-approval approach for all auditing and non-auditing services and has pre-approved such services for the years ending December 31, 2021, 2022 and 2023. Furthermore, the audit committee has delegated this authority to the chairman of the audit committee for situations when pre-approval by the full audit committee is inconvenient. Any decisions by the chairman of the audit committee must be disclosed at the next audit committee meeting.

AUDIT COMMITTEE REPORT

The audit committee oversees the financial reporting processes of Generation Income Properties, Inc. on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the audit committee reviewed the audited financial statements in the Annual Report with management and discussed with management the quality, in addition to the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The audit committee reviewed with representatives of MaloneBailey LLP, the company's independent registered public accounting firm responsible for auditing the company's financial statements and expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality, not just the acceptability, of the company's accounting principles. The audit committee has discussed with the independent registered public accounting firm the matters required to be discussed under auditing standards adopted by the Public Company Accounting Oversight Board. The audit committee has received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence and has discussed with the independent accountant the independent accountant's independence.

The audit committee discussed with representatives of MaloneBailey LLP, the overall scope and plans for their audit. The audit committee met with representatives of MaloneBailey LLP, with and without management present, to discuss the results of their examinations, their evaluations of the company's internal controls, and the overall quality of the company's financial reporting.

In reliance on the reviews and discussions referred to above, the audit committee recommended to the Board of Directors the inclusion of the audited financial statements in the company's Annual Report on Form 10-K for the year ended December 31, 2022, for filing with the Securities and Exchange Commission.

This report of the audit committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference and shall not otherwise be deemed filed under such acts.

EXECUTIVE COMPENSATION

The following describes the material compensation arrangements with the executive officers named in the Summary Compensation Table below (referred to as our "named executive officers"):

David Sobelman. On June 23, 2022, the Company entered into a First Amended and Restated Employment Agreement (the "Agreement") with David Sobelman, the Company's President and Chief Executive Officer. The Agreement amends and restates in its entirety the Employment Agreement, dated December 20, 2019, previously entered into between the Company and Mr. Sobelman. Effective July 1, 2022, Mr. Sobelman's salary increased to \$200,000. In addition, Mr. Sobelman shall be entitled to receive, upon approval of the board, a discretionary annual performance-based bonus with a bonus target amount of 35% of his then current salary based on the Company meeting Board-established performance criteria, which may include meeting the Company's target for "Core Adjusted Funds from Operations" for the immediately preceding fiscal year. Mr. Sobelman is also eligible to receive such medical, health, vacation, and other benefits as are provided by the Company and its subsidiaries generally, and Mr. Sobelman is eligible to participate in the Company's 401(k) plan. Mr. Sobelman is also paid \$7,500 a year to be used solely to cover the actual cost to Mr. Sobelman of obtaining a death and disability insurance policy on his life and for related costs and expenses. The Agreement provides that, on or before March 31 of each year during the term of Mr. Sobelman's employment and solely at the discretion of the Board, Mr. Sobelman is eligible to receive an annual grant of fully vested stock under the Generation Income Properties, Inc. 2020 Omnibus Incentive Plan based on the Company's achievement of Board-established performance criteria, which may include meeting the Company's target for "Core Adjusted Funds from Operations" for the immediately preceding fiscal year. Under the Agreement, Mr. Sobelman is subject to non-solicitation and non-competition covenants that expire one year following termination of employment and to customary confidentiality obligations.

The term of Mr. Sobelman's employment under the Agreement will continue until terminated by either the Company or Mr. Sobelman at any time, whether or not for cause, upon 60-days notice to the other party or until Mr. Sobelman's death or disability. The Agreement may also be terminated by the Company for "cause" (as defined in the Agreement) or by Mr. Sobelman for "good reason" (as defined in the Agreement). "Good reason" includes certain changes in Mr. Sobelman's responsibilities or duties without his consent, reductions in compensation or a material reduction in benefits, a material breach by the Company of the Agreement that remains uncured following notice of the breach, or a material relocation of his principal place of employment without his consent.

In the event that the Company terminates Mr. Sobelman's employment without cause or Mr. Sobelman resigns for good reason, the Agreement provides that Mr. Sobelman will be entitled to receive his base salary in effect at time of termination for the longer of 12 months or until December 31, 2025, any accrued performance bonus for the year of termination and any other completed fiscal year, and additional separation compensation to Sobelman in eighteen equal monthly installments an amount equal to the premium payments for continuing healthcare coverage for Mr. Sobelman and his family. In addition, any unvested equity awards (if any) held by Mr. Sobelman will immediately vest. In the event of a termination without cause by the Company or a resignation for good reason within 12 months after a change of control of the Company, Mr. Sobelman will be entitled to the greater of two times the sum of his accrued bonus plus his base salary as then in effect or the amount he would otherwise have been entitled to receive in the absence of a change of control.

The employment agreement defines “Cause” as (i) commission of a willful act of dishonesty in the course of duties or misappropriation of funds, theft, or embezzlement of the Company’s funds or property, (ii) conviction by a court of competent jurisdiction of, or plea of no contest to, a crime constituting a felony or conviction in respect of, or plea of no contest to, any act involving fraud, dishonesty or moral turpitude, (iii) gross or willful misconduct (whether or not directly related to the Company) or illegal conduct that impairs the performance duties or that is injurious to the Company, including without limitation injurious to the reputation of the Company, (iv) performance under the influence of controlled substances (other than those taken pursuant to a medical doctor’s orders), or continued habitual intoxication, during working hours, (v) personal misconduct or refusal or material failure to timely perform his duties and responsibilities or to timely carry out the lawful directives of the Company, which, if capable of being cured shall not have been cured, within thirty (30) days after the Company shall have advised in writing of its intention to terminate employment; provided, that such right to cure shall not apply to any subsequent act or omission of a substantially similar nature or type, or (vi) material non-compliance with the terms of this Agreement or any Company policy, which, if capable of being cured, shall not have been cured within thirty (30) days after the Company shall have advised in writing of its intention to terminate employment for such reason.

In addition, any guarantee for which Mr. Sobelman is personally the guarantor, then upon separation of employment, Mr. Sobelman shall immediately be removed from such guarantee or, if that cannot be effectuated, then the Company will use commercially reasonable efforts to retire or refinance the debt within thirty (30) days of Mr. Sobelman’s separation. So long as Mr. Sobelman remains on the guarantee, Mr. Sobelman shall receive an annual guarantee fee of one percent (1%) of the amount of the guaranteed indebtedness for a full guarantee and a half percent (0.5%) for any non-recourse/fraud exception guarantee (“Guarantee Fee”). Only in the event of a termination of Mr. Sobelman’s employment by the Company without Cause or by Mr. Sobelman pursuant to a “good reason” (as defined in the Agreement), if the Company is unable to retire or refinance the debt within sixty (60) days of Mr. Sobelman’s separation, the annual guarantee fee for any debt subject to guarantee by Mr. Sobelman shall increase to ten percent (10%) of the guaranteed indebtedness from and after such 60-day period. The Guarantee Fee is paid in arrears and prorated for any portion of any calendar in which Mr. Sobelman makes the guarantee. The Guarantee Fee is to be paid by January 15th of each year. The Guarantee Fee will be paid only on guarantees by Mr. Sobelman that are approved by the Board.

Allison Davies. In connection with Ms. Davies’ appointment, on January 24, 2022, the Company and Ms. Davies entered into an Employment Agreement (the “Davies Employment Agreement”). The Davies Employment Agreement provides for at-will employment and is terminable at any time by either party with or without cause, and her employment will be until terminated by either party. Pursuant to the Davies Employment Agreement, Ms. Davies will be entitled to an initial annual salary of \$220,000. Ms. Davies will also be eligible for a performance bonus as adopted by the Board from time to time with a target bonus equal to 30% of her salary, and she is also eligible to receive such medical, health, vacation, and other benefits as are provided by the Company, in its discretion, from time to time to its employees generally, provided that the Company will pay 100% of the premium cost of such benefits. Ms. Davies will also be eligible to participate in the Company’s 401(k) plan with a matching contribution of up to 3%. Pursuant to the Davies Employment Agreement, beginning on the first anniversary of her employment, Ms. Davies will be eligible for a grant of shares of restricted stock of the Company with a grant date value of between 25% and 50% (as will be determined by the Company) of her salary then in effect. Such restricted shares shall vest in one-third increments on each of the first three anniversaries of the grant date of the restricted shares, subject to acceleration upon a change of control, and otherwise be granted upon the standard terms and conditions, including vesting terms, as employee restricted share awards generally. Under the Davies Employment Agreement, Ms. Davies is subject to non-competition and non-solicitation covenants that expire six months and one year, respectively, following termination of employment and to customary confidentiality obligations. In the event that the Company terminates Ms. Davies’ employment without cause or Ms. Davies resigns for “good reason” (generally defined as a material diminution of her job duties), Ms. Davies will be entitled to receive severance compensation of twelve months’ base salary and payment of COBRA premiums, as well as certain accrued bonus payments, provided that Ms. Davies executes a general release of claims in favor of the company.

Equity-Based Incentive Compensation

An important element of our total executive compensation is our equity award program. We believe that our equity award program serves a number of important corporate objectives, most importantly the alignment of our executives' interests with our stockholders' interests. Our equity award program helps to ensure that each of our executives and directors have a significant portion of his net worth tied to the performance of our stock. We plan to grant additional restricted stock with time-based vesting under our long-term equity incentive program. The Generation Income Properties, Inc. 2020 Omnibus Incentive Plan (the "Omnibus Incentive Plan") permits our Compensation Committee to grant stock options, stock appreciation rights, performance shares, performance units, shares of common stock, restricted stock, restricted stock units, cash incentive awards, dividend equivalent units, or any other type of award permitted under the Omnibus Incentive Plan. The Omnibus Incentive Plan provides that 2,000,000 shares of our common stock are reserved for issuance under the plan.

PRINCIPAL STOCKHOLDERS

The following table sets forth information regarding the beneficial ownership of our common stock as of April 14, 2023 by:

- each person who is known by us to beneficially own more than 5% of our outstanding common stock,
- each of our directors and named executive officers, and
- all directors and executive officers as a group.

The number and percentage of shares beneficially owned are based on 2,611,649 common shares outstanding as of April 14, 2023. Information with respect to beneficial ownership has been furnished by each director, officer or beneficial owner of more than 5% of our common stock. Beneficial ownership is determined in accordance with the rules of the SEC, which generally require that the individual have voting or investment power with respect to the shares. In computing the number of shares beneficially owned by an individual listed below and the percentage ownership of that individual, shares underlying options, warrants and convertible securities held by each individual that are exercisable or convertible within 60 days of April 14, 2023, are deemed owned and outstanding, but are not deemed outstanding for computing the percentage ownership of any other individual. Except as otherwise indicated in the footnotes to this table, or as required by applicable community property laws, all individuals listed have sole voting and investment power for all shares shown as beneficially owned by them. Unless otherwise indicated below, the address for each principal stockholder is Generation Income Properties, Inc., 401 E Jackson Street, Suite 3300, Tampa, Florida 33602.
