ABOUT THE ANNUAL MEETING

What is the purpose of the meeting?

The principal purposes of the Annual Meeting are the election of six directors to serve on the company's Board of Directors for an additional one-year term and to ratify the appointment of our independent registered public accounting firm for fiscal year 2022.

When were these materials mailed?

We will begin mailing this proxy statement to our Shareholders on or about May 2, 2022.

Who is entitled to vote?

Stockholders of record at the close of business on the record date, April 14, 2022, will receive notice of, and be eligible to vote at, the Annual Meeting and at any adjournment or postponement of the Annual Meeting. At the close of business on the record date, there were 2,247,768 common shares outstanding and entitled to vote.

How many votes do I have?

Each outstanding share of our common stock you owned as of the record date will be entitled to one vote for each matter considered at the meeting. There is no cumulative voting.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of stockholders entitled to cast a majority of the votes will constitute a quorum, permitting us to conduct the business of the meeting. Proxies received but marked as abstentions or broker non-votes, if any, will be included in the calculation of the number of votes considered to be present at the meeting for purposes of a quorum.

What is the difference between a stockholder of record and a beneficial owner?

If your shares are registered directly in your name with our transfer agent, Continental Stock Transfer & Trust Company, then you are a "stockholder of record." This Notice of Meeting and proxy statement has been provided directly to you by Generation Income Properties, Inc. You may vote by ballot at the meeting or vote by proxy. To vote by proxy, sign, date and return the enclosed proxy card or follow the instructions on the proxy card for voting by telephone or internet.

If your shares are held for you in a brokerage, bank or other institutional account (that is, held in "street name"), then you are not a stockholder of record. Rather, the institution is the stockholder of record and you are the "beneficial owner" of the shares. The accompanying Notice of Meeting and this proxy statement have been forwarded to you by that institution. If you complete and properly sign the accompanying proxy card and return it in the enclosed envelope or follow the instructions on the proxy card for voting by telephone or internet, the institution will cause your shares to be voted in accordance with your instructions. If you are a beneficial owner of shares and wish to vote in person at the Annual Meeting, then you must obtain a proxy, executed in your favor, from the holder of record (the institution).

How do I vote if I am a stockholder of record?

By Ballot at the Meeting If you are a stockholder of record and attend the Annual Meeting, you may vote in person by ballot at the Annual Meeting. To vote by ballot, you must register and confirm your stockholder status at the meeting. If the stockholder of record is a corporation, partnership, limited liability company or other entity of which you are an officer or other authorized person, then you should bring evidence of your authority to vote the shares on behalf of the entity.

By Proxy Card. If you complete, sign and return the accompanying proxy card or follow the instructions on the proxy card for voting by telephone or internet, then your shares will be voted as you direct. If you are a stockholder of record, then you may opt to deliver your completed proxy card in person at the Annual Meeting.

Voting by Telephone or Internet. If you are a stockholder of record, you may vote by proxy by telephone or internet. Proxies submitted by telephone or through the internet must be received by 11:59 p.m. EDT on June 1, 2022. Please see the proxy card for instructions on how to vote by telephone or internet.

How do I vote if I hold my shares in “street name”?

If you hold your shares in “street name,” we have supplied copies of our proxy materials for the 2022 Annual Meeting of Stockholders to the broker, trust, bank or other nominee holding your shares of record and they have the responsibility to send these proxy materials to you. You must either direct the broker, trust, bank or other nominee as to how to vote your shares, or obtain a proxy from the bank, broker or other nominee to vote at the meeting. Please refer to the voter instruction cards used by your broker, trust, bank or other nominee for specific instructions on methods of voting, including by telephone or using the internet.

What Vote is Required to Approve each Item?

For Proposal 1, election of directors, you may vote “FOR,” “AGAINST” or “ABSTAIN” with respect to each of the nominees. Our bylaws provide that in an uncontested election, each nominee will be elected as a director if he or she receives the affirmative vote of a majority of the total votes cast “FOR” and “AGAINST” with respect to his or her election as a director at the Annual Meeting. Any abstentions or broker non-votes are not counted as votes cast either “FOR” or “AGAINST” with respect to a director’s election and will have no effect on the election of directors.

For Proposal 2, the ratification of the appointment of MaloneBailey LLP as our independent registered public accounting firm for fiscal year 2022, you may vote “FOR,” “AGAINST” or “ABSTAIN” with respect to the ratification of the appointment of MaloneBailey LLP as our independent registered public accounting firm for fiscal year 2022. Ratification of the appointment of our independent registered public accounting firm for fiscal year 2022 requires a majority of the votes cast on the proposal at the Annual Meeting to be voted “FOR” this proposal. Abstentions will not count as votes cast either “FOR” or “AGAINST” Proposal No. 2 and will have no effect on the results of the vote on this proposal. Discretionary voting is permitted by on this proposal, and, therefore, we do not anticipate any broker non-votes for this proposal.

What does it mean if I receive more than one proxy card?

You will receive separate proxy cards when you own shares in different ways. For example, you may own shares individually, as a joint tenant, in an individual retirement account, in trust or in one or more brokerage accounts. You should complete, sign and return each proxy card you receive or follow the telephone or internet instructions on each card. The instructions on each proxy card may differ. Be sure to follow the instructions on each card.

Can I change my vote or instruction?

Yes. You may follow the instructions on the proxy card to change your votes or instructions any time before midnight the day before the meeting. In addition, if you are a stockholder of record, you may revoke your proxy any time before your shares are voted by filing with the secretary of the company a written notice of revocation or submitting a duly executed proxy bearing a later date. If you file a notice of revocation, you may then vote (or abstain from voting) your shares in person at the Annual Meeting. If you submit a later dated proxy, then your shares will be voted in accordance with that later dated proxy. No such notice of revocation or later dated proxy, however, will be effective unless received by us at or before the Annual Meeting and before your shares have been voted. Unless the proxy is revoked, the shares represented thereby will be voted at the Annual Meeting or any adjournment thereof as indicated on the proxy card. Sending in a proxy does not affect your right to vote in person if you attend the meeting, although attendance at the meeting will not by itself revoke a previously granted proxy.

If I submit a proxy card, how will my shares be voted?

Your shares will be voted as you instruct on the proxy card.

What happens if I submit a proxy card and do not give specific voting instructions?

If you are a stockholder of record and sign and return the proxy card without indicating your instructions, your shares will be voted in accordance with the recommendations of the Board of Directors by the proxies named on such card. With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, at their own discretion. As of the date this proxy statement went to print, we did not know of any other matters to be raised at the Annual Meeting.

What are the Board of Directors' recommendations?

The Board of Directors recommends stockholders vote:

- **FOR** election of the six director nominees named below to serve on the company's Board of Directors for an additional one-year term until the next annual meeting of stockholders and until his or her successor is duly elected and qualifies, or until his or her death, resignation, retirement or removal (whichever occurs first):

Benjamin Adams
Gena Chang
Stuart Eisenberg
Betsy Peck
Patrick Quilty
David Sobelman

- **FOR** the proposal to ratify the appointment of MaloneBailey LLP as the company's independent registered public accounting firm for the year ending December 31, 2022.

How will votes be counted?

All votes will be tabulated by the secretary of the company. We have engaged Broadridge Financial Solutions, Inc. to collect and tabulate proxy instructions.

Who is paying for the preparation and mailing of the proxy materials and how will solicitations be made?

We will pay the expenses of soliciting proxies. Proxies may be solicited on our behalf by directors, officers or employees in person or by mail, telephone, facsimile or electronic transmission. We have requested brokerage houses and other custodians, nominees and fiduciaries to forward soliciting material to beneficial owners and have agreed to reimburse those institutions for their out-of-pocket expenses.

PROPOSAL 1

ELECTION OF DIRECTORS

As of the date of this proxy statement, our Board has six directors. All current directors have been nominated to stand for re-election at the 2022 Annual Meeting. The Board will consist of six directors after the 2022 Annual Meeting assuming the election of all director nominees. All current directors elected at the meeting will serve until the 2023 annual meeting and until his or her successor is duly elected and qualifies, or until his or her death, resignation, retirement or removal (whichever occurs first). The accompanying proxy will be voted FOR the election of each of the Board's nominees unless a stockholder directs otherwise. Each nominee is presently available for election. If any nominee should become unavailable, which is not currently anticipated, the persons voting the accompanying proxy may vote for a substitute nominee designated by our Board of Directors or our Board may reduce the size of the Board and number of nominees.

With the recommendation of the nominating and governance committee, the Board of Directors has nominated the following persons to stand for re-election as directors at this 2022 Annual Meeting of Stockholders:

Benjamin Adams
Gena Cheng
Stuart Eisenberg
Betsy Peck
Patrick Quilty
David Sobelman

Each of the nominees for re-election as a director has consented to serve if elected. If, as a result of circumstances not now known or foreseen, one or more of the nominees should be unavailable or unwilling to serve as a director, proxies may be voted for the election of such other persons as the Board of Directors may select. The Board of Directors has no reason to believe that any of the nominees will be unable or unwilling to serve. Information about each of the nominees, including biographies, is set forth below and on the following pages.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE *FOR* THE ELECTION OF EACH OF THE DIRECTOR NOMINEES.

DIRECTORS

Set forth below is a summary of the background and experience of each director nominee. There is no family relationship among any of the director nominees and/or executive officers of the company.

Directors Standing for Re-Election

Benjamin Adams, age 50, has been a board member since July 2019. He has also been Chief Executive Officer and Founder of Ten Capital Management since May 2011, an independent, fundamental value-driven private equity real estate firm based in Cleveland, Ohio. He is responsible for the strategic direction and oversight of all firm activities. From January 2008 to April 2011, Mr. Adams was a Portfolio Manager with The Townsend Group, where he oversaw \$1.7 billion in private equity real estate assets under management within the firm's discretionary investment management business and was actively involved in product development and structuring. Prior to Townsend, Mr. Adams was a Vice President and General Counsel of Lionstone Development LLC, a Miami-based, principal balance sheet investor.

Mr. Adams practiced law with Greenberg Traurig LLP in New York, New York, and served as the Special Assistant to the White House Counsel in the Clinton Administration. Mr. Adams has a law degree from Georgetown University Law Center and a Bachelor of Arts from Miami University in Oxford, Ohio. We believe that Mr. Adams's position as the founder and Chairman Emeritus of the Defined Contribution Real Estate Council (DCREC) and his understanding of accounting principles and financial presentation and analysis qualifies him for service as one of our directors.

Gena Cheng, age 50, was appointed a board member on October 5, 2021. She has been managing director since August 2019 at Prospect Avenue Partners, a specialty capital raising, and advisory platform focused on the private equity industry. Mr. Eisenberg's experience serving publicly-held companies brings to our Board of Directors a comprehensive understanding of public company operations, financial reporting, and corporate governance, as well as perspective regarding potential acquisitions. We believe that Mr. Eisenberg's prior work as a partner at BDO USA, LLP in the real estate services group and sophisticated understanding of accounting principles, auditing standards, and internal accounting controls qualify him for service as one of our directors.

TRANSACTIONS WITH RELATED PERSONS

Securities and Exchange Commission rules require us to disclose any transaction or currently proposed transaction in which we are a participant and in which any related person has or will have a direct or indirect material interest involving an amount that exceeds the lesser of \$120,000 or one percent (1%) of the average of the Company’s total assets as of the end of the last two completed fiscal years. A related person is any executive officer, director, nominee for director, or holder of 5% or more of the Company’s common stock, or an immediate family member of any of those persons.

We do not have a formal written policy for the review and approval of transactions with related parties. Our unwritten policy with regard to transactions with related persons is that all material transactions are to be reviewed by the entire Board for any possible conflicts of

interest. The Board is responsible for review, approval, or ratification of “related-person transactions” involving the company and related persons.

The company had previously engaged 3 Properties (a brokerage and asset manager company) that was owned 100% by the company’s CEO, when it purchased properties and to manage properties. Mr. Sobelman sold 3 Properties on November 1, 2021. This agreement was terminated effective August 31, 2020. For the year ended December 31, 2020, we paid 3 Properties \$40,135 for asset management services related to the property owned by GIP. No other fees were paid by the company to 3 Properties for the year ended December 31, 2021 or 2020.

On November 30, 2020, the company acquired an approximately 3,500-square-foot building from GIP Fund 1, LLC a related party that was owned 11% by the company’s CEO. The retail single-tenant property (occupied by The Sherwin-Williams Company) in Tampa, Florida was acquired for approximately \$1.8 million and was funded with approximately \$1.3 million of debt from Valley National Bank and the issuance of 24,309 partnership units in Generation Income Properties LP valued at \$20.00 per unit for purposes of the contribution for a total value of \$486,180 plus \$1,000 in cash. Following our acquisition of this property, GIP Fund I was liquidated, and following such liquidation, Mr. Sobelman became the direct owner of an approximately 0.102% interest in GIP LP as of December 31, 2021.

Director Independence

The Nasdaq Marketplace Rules require a majority of a listed company’s board of directors to be comprised of independent directors. In addition, the Nasdaq Marketplace Rules require that, subject to specified exceptions, each member of a listed company’s audit, compensation and nominating and corporate governance committees be independent and that audit committee members also satisfy independence criteria set forth in Rule 10A-3 under the Exchange Act.

Under Rule 5605(a)(2) of the Nasdaq Marketplace Rules, a director will only qualify as an “independent director” if, in the opinion of our board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In order to be considered independent for purposes of Rule 10A-3 of the Exchange Act, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee, accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the listed company or any of its subsidiaries or otherwise be an affiliated person of the listed company or any of its subsidiaries.

Our board of directors has reviewed the composition of our board of directors and its committees and the independence of each director. Based upon information requested from and provided by each director concerning their background, employment and affiliations, including family relationships, our board of directors has determined that each of Benjamin Adams, Gena Cheng, Patrick Quilty, Betsy Peck and Stuart Eisenberg is an “independent director” as defined under Rule 5605(a)(2) of the Nasdaq Marketplace Rules. Our board of directors also determined that the directors who each serve on our audit committee, our compensation committee, and our nominating and corporate governance committee, satisfy the independence standards for such committees established by the SEC and the Nasdaq Marketplace Rules, as applicable. In making such determinations, our board of directors considered the relationships that each such non-employee director has with the company and all other facts and circumstances our board of directors deemed relevant in determining independence, including the beneficial ownership of our capital stock by each non-employee director.

Director Compensation

The company granted 2,500 shares of restricted stock to each of Benjamin Adams and Patrick Quilty, vesting 1/3 annually subject to continued service with us, on July 15, 2019, pursuant to restricted stock award agreements. On February 3, 2020, the company granted 2,500 shares of restricted stock to each of Betsy Peck and Stuart Eisenberg, vesting 1/3 annually subject to continued service pursuant to restricted stock award agreements. Effective January 1, 2021, the board granted 2,500 restricted shares to each of Benjamin Adams, Patrick Quilty, Stuart Eisenberg and Betsy Peck that vest 1/3 annually subject to continued service. The pro-rated vested share restrictions are removed upon the annual anniversary of the award.

We do not have any other agreements for compensating our directors for their services in their capacity as directors, although such current and future directors are expected in the future to receive restricted shares or stock options to purchase shares of our common stock as awarded by our Board with the exception of Mr. Sobelman, who receives no additional compensation for his service as a director. None of our directors has ever been paid any cash compensation. The following table summarizes all of the compensation earned by our directors for service as a director of the company during the year ended December 31, 2021:

CORPORATE GOVERNANCE

Board Leadership Structure

Our Board does not have a policy on whether the same person should serve as both the President and Chairman of the Board or, if the roles are separate, whether the Chairman should be selected from the non-employee directors or should be an employee. Our Board believes that it should have the flexibility to periodically determine the leadership structure that it believes is best for the company. The Board believes that its current leadership structure, with Mr. Sobelman serving as both President and Board Chairman, is appropriate given the efficiencies of having the President also serve in the role of Chairman. The Board currently believes that Mr. Sobelman is uniquely qualified to serve as President and in the role of leader of the Board given his history and experience with the company, his significant ownership interest in the company and the current size of the company and the Board.

Our lead independent director is currently Benjamin Adams. The Chairman and the President consults periodically with the lead director on Board matters and on issues facing the company. In addition, the lead director serves as the principal liaison between the Chairman of the Board and the independent directors and presides at an executive session of non-management directors at each regularly scheduled Board meeting.

Role of Board in Risk Oversight Process

We face a number of risks, including those described under the caption "Risk Factors" in our Annual Report on Form 10-K. Our board of directors believes that risk management is an important part of establishing, updating and executing on our business strategy. Our board of directors has oversight responsibility relating to risks that could affect our corporate strategy, business objectives, compliance, operations, and the financial condition and performance. Our board of directors focuses its oversight on the most significant risks facing us and, on our processes, to identify, prioritize, assess, manage and mitigate those risks. Our board of directors receives regular reports from members of our senior management on areas of material risk to us, including strategic, operational, financial, legal and regulatory risks. While our board of directors has an oversight role, management is principally tasked with direct responsibility for management and assessment of risks and the implementation of processes and controls to mitigate their effects on us.

Indemnification Agreements

We have entered into indemnification agreements with each of our executive officers and directors, and expect to enter into indemnification agreements with future executive officers and directors. Each indemnification agreement provides, among other things, that we will indemnify, to the maximum extent permitted by law, the covered officer or director against any and all judgments, penalties, fines and amounts paid in settlement, and all reasonable and out-of-pocket expenses (including attorneys' fees), actually and reasonably incurred in connection with any threatened, pending or completed action, suit, arbitration, alternative dispute resolution mechanism, investigation, inquiry, administrative hearing or other proceeding that arises out of the officer's or director's status as a present or former officer, director, employee or agent of the company. Each indemnification agreement also requires us, upon request of the covered officer or director, to advance the expenses related to such an action provided that the officer or director undertakes to repay any amounts to which he is subsequently determined not to be entitled. The indemnification agreement is not exclusive of any other rights to indemnification or advancement of expenses to which the covered officer or director may be entitled, including any rights arising under our charter or bylaws or applicable law.

Disclosure of Commission Position on Indemnification for Securities Act Liabilities.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is therefore unenforceable.

Board Committees

Our board of directors has established three standing committees — audit, compensation, and nominating and corporate governance — each of which operates under a charter approved by our board of directors. Copies of each committee's charter is available on the Investor Relations section of our website, which is located at www.gipreit.com. Each committee has the composition and responsibilities described below. Our board of directors may from time to time establish other committees.

Audit Committee

Our audit committee consists of Patrick Quilty, Betsy Peck and Stuart Eisenberg, with Mr. Eisenberg serving as the chair of the committee. Our board of directors has determined that each of the members of our audit committee satisfies the Nasdaq Marketplace Rules and SEC independence requirements. The functions of this committee include, among other things:

- evaluating the performance, independence and qualifications of our independent auditors and determining whether to retain our existing independent auditors or engage new independent auditors;
- reviewing and approving the engagement of our independent auditors to perform audit services and any permissible non-audit services;
- reviewing our annual and quarterly financial statements and reports, including the disclosures contained under the caption “Management’s Discussion and Analysis of Financial Condition and Results of Operations,” and discussing the statements and reports with our independent auditors and management;
- reviewing with our independent auditors and management significant issues that arise regarding accounting principles and financial statement presentation and matters concerning the scope, adequacy and effectiveness of our financial controls;
- reviewing our major financial risk exposures, including the guidelines and policies to govern the process by which risk assessment and risk management is implemented; and
- reviewing and evaluating on an annual basis the performance of the audit committee, including compliance of the audit committee with its charter.

Our board of directors has determined that Mr. Eisenberg qualifies as an “audit committee financial expert” within the meaning of applicable SEC regulations and meets the financial sophistication requirements of the Nasdaq Marketplace Rules. Both our independent registered public accounting firm and management periodically will meet privately with our audit committee. Our Audit Committee met four times during 2021.

Compensation Committee

Our compensation committee consists of Benjamin Adams, Gena Cheng and Patrick Quilty, with Mr. Adams serving as the chair of the committee. Our Board has determined that each of the members of our compensation committee satisfies the Nasdaq Marketplace Rules independence requirements. The functions of this committee include, among other things:

- reviewing, modifying and approving (or if it deems appropriate, making recommendations to the full board of directors regarding) our overall compensation strategy and policies;
- reviewing and approving the compensation, the performance goals and objectives relevant to the compensation, and other terms of employment of our executive officers;
- reviewing and approving (or if it deems appropriate, making recommendations to the full board of directors regarding) the equity incentive plans, compensation plans and similar programs advisable for us, as well as modifying, amending or terminating existing plans and programs;
- reviewing and approving the terms of any employment agreements, severance arrangements, change in control protections and any other compensatory arrangements for our executive officers;
- reviewing with management and approving our disclosures, once required, under the caption “Compensation Discussion and Analysis” in our periodic reports or proxy statements to be filed with the SEC; and
- preparing the report that the SEC requires in our annual proxy statement, once required.

Our Compensation Committee met one time during 2021.

Nominating and Corporate Governance Committee

Our nominating and corporate governance committee consists of Betsy Peck, Gena Cheng, Stuart Eisenberg, and Patrick Quilty, with Ms. Peck serving as the chair of the committee. Our board of directors has determined that each of the members of this committee satisfies the Nasdaq Marketplace Rules independence requirements. The functions of this committee include, among other things:

- identifying, reviewing and evaluating candidates to serve on our board of directors consistent with criteria approved by our board of directors;
- evaluating director performance on our board of directors and applicable committees of our board of directors and determining whether continued service on our board of directors is appropriate;
- evaluating, nominating and recommending individuals for membership on our board of directors; and
- evaluating nominations by stockholders of candidates for election to our board of directors.

Our Nominating and Corporate Governance Committee met one time during 2021.

We do not have a policy regarding the consideration of any director candidates that may be recommended by our stockholders, including the minimum qualifications for director candidates, nor has our board established a process for identifying and evaluating director nominees. We have not adopted a policy regarding the handling of any potential recommendation of director candidates by our stockholders, including the procedures to be followed. Our board has not considered or adopted any of these policies, as we have never received a recommendation from any stockholder for any candidate to serve on our Board. While there have been no nominations of additional directors proposed, in the event such a proposal is made, our current board will participate in the consideration of director nominees.

Board of Directors Leadership Structure

Our business and affairs are managed under the direction of the Board of Directors. Under our current leadership structure, David Sobelman serves as Chairman of the Board of Directors, Chief Executive Officer and President. Mr. Sobelman's role includes providing continuous feedback on the direction and performance of the company, serving as chairman of regular meetings of the Board of Directors, setting the agenda for the meetings of the Board of Directors and leading the Board of Directors in anticipating and responding to changes in our business. Mr. Sobelman plays a significant role also in formulating and executing the company's strategic plans, financing activity and investment decisions. We believe board oversight and planning is a collaborative effort among the directors, each of whom has unique skills, experience and education, and this structure facilitates collaboration and communication among the directors and management and makes the best use of their respective skills. The Board of Directors periodically reviews the board leadership structure to evaluate whether the structure remains appropriate for the company and may determine to alter this leadership structure anytime based on then existing circumstances.

Board of Directors' Role in Risk Oversight

The Board of Directors plays a significant role in monitoring risks to the company. Where major risks are involved, the Board of Directors takes a direct role in reviewing those matters. The Board of Directors also approves any strategic initiatives and any large or unusual investment or other such expenditure of the company's resources. The Board of Directors has established committees to assist in ensuring that material risks are identified and managed appropriately. Among them are the audit committee, the compensation committee, and the nominating and governance committee. The Board of Directors and its committees regularly review material operational, financial, compensation and compliance risks with executive management. The audit committee is responsible for assisting the Board of Directors in its oversight of the quality and integrity of our accounting, auditing, and reporting practices and discussing with management our processes to manage business and financial risk. The compensation committee considers risk in connection with its design of our compensation programs for our executives. The nominating and governance committee regularly reviews the company's corporate governance structure and board committee assignments. Each committee regularly reports to the Board of Directors.

Delinquent Section 16(A) Reports

Section 16(a) of the Exchange Act requires our executive officers and directors, and beneficial owners of more than 10% of our common stock to file reports regarding ownership of, and transactions in, our securities with the SEC and to provide us with copies of those filings. Based solely on our review of the copies of such forms received by us, we believe that during the twelve months ended December 31, 2021, all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% beneficial owners were timely complied with, except for the following late filings: Form 3s filed by John Robert Sierra and John Robert Sierra Sr. Revocable

Code of Ethics

We have adopted a code of ethics applicable to all employees and directors, including our Chief Executive Officer and Chief Financial Officer. We have posted the text of our code of ethics to our internet website: <http://www.gipreit.com> by clicking "Investors" at the top, then "Governance", and finally "Code of Ethics". We intend to disclose any change to or waiver from our code of ethics by posting such change or waiver to our internet website within the same section as described above.

Anti-Hedging Policies

Our Board of Directors has adopted an Insider Trading Policy which applies to all our directors, officers and designated employees. The policy prohibits our directors, officers and designated employees from engaging in hedging transactions, short sales and transactions in publicly traded options, such as puts, calls and other derivatives, involving our equity securities.

Board and Committee Meetings

During 2021, our Board of Directors held six meetings. During 2021, no director attended less than 75% of the Board of Directors' and applicable committee meetings. In addition, the independent directors met in executive session periodically in 2021. We have not established a policy with regard to the attendance of board members at annual stockholder meetings.

PROPOSAL 2
RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2022

The audit committee of the Board of Directors has appointed MaloneBailey LLP (“MaloneBailey”) as the company’s independent registered public accounting firm for our fiscal year ending December 31, 2022. MaloneBailey also served as the company’s independent registered public accounting firm for our years ended December 31, 2020 and 2021 . The Board of Directors concurs with the appointment and is submitting the appointment of MaloneBailey as our independent registered public accounting firm for stockholder ratification at the Annual Meeting.

Our bylaws do not require that the stockholders ratify the appointment of MaloneBailey as our independent registered public accounting firm. We are seeking ratification because we believe it is a sound corporate governance practice. If the stockholders do not ratify the appointment, our audit committee will reconsider whether to retain MaloneBailey, but may retain MaloneBailey in any event. Even if the appointment is ratified, the audit committee, in its discretion, may change the appointment at any time during the year if it determines that a change would be in the best interests of the company and its stockholders.

We expect that representatives of MaloneBailey will be either physically present or available via phone at the Annual Meeting. They will be given the opportunity to make a statement if they desire to do so, and they will be available to respond to appropriate questions after the meeting

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF MALONEBAILEY AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL 2022.
